The St Giles SEND team:

Mrs Mavi
SENCo & Inclusion
Strategic Lead

Ms Morris
SEND Teaching Lea

Mrs Sagoo
SEND Teacher

If you have any queries or concerns or would like to discuss anything in relation to your child, please do not hesitate to contact us via 01902 368308.

What's New?

As we approach the end of the year a key focus will be to help prepare our children for the transition to their new classes in September.

In this issue of our newsletter we will focus upon transition and explore some of the ways that you can support your child ahead of them moving into their new classes or embarking upon Secondary School.

Parent Feedback

We would like to say a big "thankyou" to parents who have sent feedback to us over the course of the year.

The feedback that we received was very positive and we wanted to share some of the highlights with you...

"I am very happy with the support X is given at school."

"We are extremely pleased with how well the staff know our child. Thank you."

WOW!

We would like to say a big "well done" to our wonderful SEND children who consistently show a willingness to learn and take pride in all that they do. Many supportive interventions have taken place over the year which children have taken full advantage of. Well done!

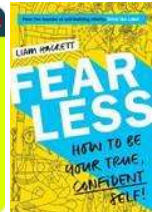

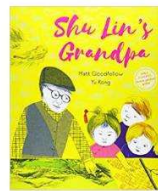

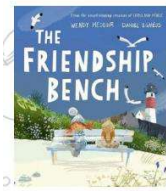

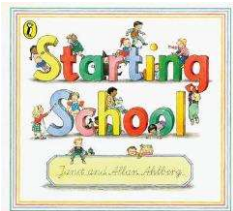

A Spotlight on... Transition!

Transition is a normal part of life and building resilience for when things change is a fundamental part of our transition process. At St Giles, we aim to make transitions between year groups as smooth and seamless as possible. Some of the ways in which we will support your child in moving up to their next year group include:

- Your child having the opportunity to meet their new teacher and have a transition session.
- Where needed, a transition 'Social Story' will be created for use in school and at home to build up familiarity in new places and people your child will come across.
- Staff will meet to discuss key needs of children before September in order to be ready to support them.

You may also wish to support your child over the summer holidays by talking about their new class and teacher in a positive way, and think about what your child may look forward to. Below are some suggested reading books that you may wish to share with your child in preparation for the transition to their new classes in September. Most of the books suggested below should be available in your local library, on Youtube or available to download on the Amazon Kindle bookstore.

The next round of **APDR's** will be distributed in July.

Monday 1st September: INSET Day

Tuesday 2nd September: Term Starts
