

WILLENHALL NATIVITY TRAIL

PRESENTS

A detailed LEGO nativity scene set within a stable. In the center, a baby Jesus lies in a wooden manger, being held by a woman (Mary). A man (Joseph) stands nearby. To the left, a grey horse is visible. To the right, a brown ox and a white donkey are present. Several yellow chickens are scattered in the foreground. The scene is lit with warm, golden light, and the background shows the interior of a stable with various LEGO furniture and structures.
