

# School Newsletter– 3.2.23

*'You must love one another as I have loved you.'* John 13 v 34.

Working together with love we will provide a happy and nurturing environment where all will, **'learn to love and love to learn'**, making outstanding progress through an enriched and creative curriculum. Through our strong Christian ethos we will celebrate and embrace the richness of our community.

**Learn to Love - Love to Learn**

*'You must love one another as I have loved you.'* John 13 v 34

Thank you for supporting with the NSPCC Number Day fundraising this morning. We sold all our cakes and most of our badges. All money raised will go towards the great work that the NSPCC do to keep children and families safe.

**Article 19 (protection from violence, abuse and neglect)** Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and bad treatment by their **parents or anyone else who looks after them.**

**Article 29 (goals of education)** Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

**Article 24 (health and health services)** Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

## Trees for Climate

1300 trees and shrubs were planted in our grounds this week, funded by the Government-led Nature for Climate fund.

The Forest of Mercia worked with 450 children, planting new hedgerows and nature corridors. We've also got a fabulous willow dome to enjoy for years to come...

**Article 31 (leisure, play and culture)** Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

**Article 29 (goals of education)** Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

**Article 24 (health and health services)** Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.
